Emergency Notification Systems

 **TORNADO ALERT
TONES**

WAIL-A severe storm has been seen or reported in the area of Clinton County or the Village of Hoffman

AIR HORN-All clear (may not be sounded for a long period of time if storms are still within the village area).

TEST-Sirens are tested the first Tuesday of every month

THE EMERGENCY ALERT SYSTEM IS ALSO EQUIPPED WITH A PUBLIC ADDRESS SYSTEM. LISTEN FOR ANNOUNCEMENTS AS INFORMATION BECOMES AVAILABLE.

Nixle Service:

Nixle is a free internet based program that can be set to notify you by computer message and your smart phone. The notifications are not just related to emergency situations but also informational such as boil orders, delayed refuse pickup, other types of information.

The Village uses this program as well as other county agencies.
