

**VILLAGE RESIDENTS:**

We need your help to encourage everyone to complete their 2020 Census questionnaire online or over the phone as soon as possible. This reduces the likelihood that a Census Bureau worker will need to visit their home. Everyone's safety is a top priority.

The website to respond to the questionnaire is: <https://www.my2020census.gov>.

If anyone needs help completing the 2020 Census questionnaire the toll-free number is 1-844-330-2020.

If a resident has not received their Census information through the mail, they can still call this same number - 1-844-330-2020 for assistance.

Currently Clinton County has a response rate of 60.8% according to the following website.

<https://www.2020census.gov/en/response-rates.html>

Hoffman's response rate is currently at 45.1%.

Also, the U.S. Census Bureau is still looking to hire more employees for when the COVID restrictions are lifted. The website to apply is: <https://www.2020census.gov/jobs>

For information or help with applying, please call 1-855-job-2020, 1-855-562-2020.

If you could share this information with the residents and with any organizations, clubs, or businesses, we would appreciate all the help you can provide in spreading the word. We need your help now more than ever!
